TO: Minerals File

FROM: Tom Munson, Reclamation Specialist *TM*

RE: *502* Site Inspection, RDS ~~61 & 62~~ Resource Design Solution, *7* ~~S/023/066~~ Juab County, Utah

Date of Inspection: February 28, 2001

Time of Inspection: 1:30 p.m. - 2:00 p.m.

Conditions: Sunny

Participants: Joe Dunlop, Resource Design Solution Representative; Larry Garahana and Jerry Mansfield, BLM; Tom Munson, DOGM

Purpose of Inspection: To determine if reclamation was completed to bring the site under 5 acres.

The BLM and I arrived on-site to discover that no reclamation had occurred. Mr. Dunlop proceeded to explain that a Landscape firm called Howell Construction was coming that day to start on construction in a trade for landscape boulders. I told him that I would give him until the 9th of March to complete the necessary reclamation. An inspection would be performed at that time to ascertain if the work was completed.
